Case No. 2:20-cv-02248-JCM-NJK

Order

[Docket No. 115]

12 Pending before the Court is Plaintiff EB Holdings II's motion to compel. Docket No. 115.
13 That motion addresses the parties' disputes with respect to two requests for production and three
14 interrogatories. With respect to the requests for production in dispute, one of them seeks
15 production of certain underwriting files (Request for Production 53) and the other seeks production
16 of certain Rater Worksheets (Request for Production 54). The briefing at times discusses these
17 documents without significant differentiation. *See, e.g.*, Docket No. 123 at 5-9; Docket No. 124
18 at 11 (seeking order to compel production of "underwriting files (including Rater Worksheets)").
19 On March 10, 2022, Illinois National filed a notice that it will provide Plaintiff with "underwriting
20 files." Docket No. 129. The notice does not indicate whether Illinois National will also provide
21 "Rater Worksheets." Accordingly, Illinois National must file a notice clarifying whether it still
22 resists production of the Rater Worksheets at issue in the motion to compel. This notice must be
23 filed by 3:00 p.m. on March 11, 2022.

24 IT IS SO ORDERED.

25 Dated: March 11, 2022
